

Dear Cosmos

FIRST CONTACT !!!

Galactic Meeting Areas

Grand Opening March 21st & 22nd

Who am I...

Why am I here ...

Where did I come from...

When & Where can I meet and talk to my Soul/Star families?

Do you know your ancestors are reaching out to you?

Did you know that “They” are a part (Aspect) of who you are?

What if you discover why this is important for you now?

First Contact: Discovering that one or more **Spiritual Life Forms** (Guides/Angels/Energies called “Aspects”) are with-in you NOW, and may have been for many of your earthly lifetimes... waiting patiently to chat. I call this an *Inside-Job* or *Get-Acquainted* phase.

Second Contact: Meeting other **Divine Spiritual Aspects** within other Humans on this planet of which many are “Members” of your Soul/Spirit Family or Heritage. You and them may be *Starseeds*.

Third Contact: This is where other worldly **Divine Spiritual Members** of Your Soul/Spirit Family communicate with you ethereally or by other means.

Please consider reading my Dec. 2019 and Jan. 2020 articles
for more details about *1st, 2nd and 3rd contact*.

Dear Cosmos:

I have been hearing a lot about our planet being prepared for visitations, meetings, and collaboration with other benevolent Extraterrestrial Races which they say seeded and enriched our human race here eons ago. I want to prepare myself and family for this. What can I do?

Namaste Wanting to be Prepared:

Here are two famous quotes that will be helpful during this time of transition to a Galactic Community:

**“ASK, AND IT SHALL BE GIVEN YOU;
SEEK, AND YE SHALL FIND;
KNOCK, AND IT SHALL BE OPENED UNTO YOU”**

Matthew 7:7 (KJV)

*“The important thing is not to stop questioning.
Never lose a holy curiosity.”*

~ Albert Einstein ~

You see... If “They” seeded you
and enriched us with their DNA and energetic blueprints
then we are them and they are us energetically sooo...

The answers you seek can be found “WITHIN YOU”!

Consider finding a quiet place, preferably out in nature, and ask away. We, my partner Jackie and I, have been doing that here at our 10 acre ONE-TLC facility and retreat center for seven years now. Lately our Internal and Spiritual Guidance is having us prepare Galactic Meeting Areas for our Soul/Spirit Families that are looking forward to meeting with their fellow Starseeds ethereally and face-to-face.

EVERYONE IS AN ANCIENT STARSEED!

When you trace your lineage, heritage, ancestry, or past-lives all the way back to the beginning... no one originated from Earth. We ALL came from somewhere else. Our original families of origin are still there awaiting our return or an opportunity to visit with us here.

Below are Communications Received Feb. 8, 2020:

From the Anunnaki/Sumerian Race:

“One’s willingness to enter our Home and connect with an Open Heart and Gratitude has the potential to dissolve fear and doubt within their mind and heart.”

The Anunnaki Collective: by Jackie

“Our previous relationship with you is similar to your relationship to your horses, and if you had the capability to infuse your DNA into the horses you would have more than domesticated them. We look forward to the era in which we are both perceived as equals and then some as we share the same ‘original’ DNA.”

Your Counterpart (An ANU Representative): by David

From the Pleiadian Race:

“The Joy of your journey is NOW an expansive heart ready and willing to accept and honor all life forms and consciousness presences.”

The Light of Your Soul (Your Pleiadian Representative): by Jackie

“Thank You for this opportunistic meeting area where we can meet with our brethren, you the Anunnaki, and other like-minded Spirit/Souls across time and space. We are enjoying this area where Your and Our Higher (more evolved/expanded) parental guidance is also available. We hope you take advantage of these opportunities as we are.” ☺

The Serious Group: by David

From the Sirian Race:

“The tides are turning and there is Harmony at hand. Attune your physical vessels to the still waters within and reveal the secrets of your Divine Truth. We are here to assist every step of the way. You will know us in the calmness of your Soul.”

Sirian Council: by Jackie

“We offer you opportunities to glimpse previous experiences (lifetimes) you’ve had in order to glean the magnificent outcomes that were derived from the seemingly or perceived ‘less than stellar’ events. It is our hope that you can ‘let by-gones be by-gones’ because not only at the deepest soul level ‘we are one’ and have come to understand that it always serves the greater good.”

Your Moms and Dads - Sirians: by David

From the Arcturian Race:

“Do not apply loftiness or hierarchy to any single entity or race. In this now and evolved creation and way of Being there is no one or no thing ‘better than another’. All have equal purpose and abilities specific to their individual soul plan and soul growth. We are all here for each other’s reflection and recognition of Divine Love & Light.”

The Arcturian Council of Light: by Jackie

“As you become more enriched and expanded by your Guiding Light within, know that just like a prism affects the colors of the rainbow you also affect the rays of your projection to others. We suggest, like in the movie ‘Contact’ that you consider making ‘small moves Ellie... small moves’. Your rainbow and the collective rainbows of others are the physical realities that you are manifesting, therefore_____.”

Your Higher Selves: by David

These are just four of the more than 200 races, beings, and energetic forces that are assisting us in our Spiritual Growth. They will meet and converse with you because they are pleased with our individual and collective Soul/Spirit Growth. They want to share more of what's to come for us, and our planet, now that...

We are becoming members in the Galactic Community!
