## UNCONSCIOUS IMAGINATION “Going Beyond Quantum Mechanics”

### INTRODUCTION

*“When it’s all been said and done...  
There’s NoThing...  
to be said and done.”*

~ David/LE ~

**Just STOP...** *Is it time to go home?*

**WHAT IS REAL AND WHAT IS NOT REAL???**

Dear Cosmos:

*“In 2006, you and William presented a two weekend course presented by your previous company ‘Boundless Potential’. That course was called ‘Quantum Consciousness’. At level seven we went into the Void and came back to a different reality. I have been curious about this experience and it has been on my mind ever since.*

*Now we are being asked to go home and stay home because of a perceived virus threat that many believe is not real or is a created illusion. I have had time to really think and meditate about many things since I have Stopped! Things like; Who am I, Why am I here, Where did I come from, Where am I going, Where is my REAL home. Maybe you can help by shedding some light on... WHAT IS REAL AND WHAT IS NOT REAL???*

**Namaste ‘You with a great memory’...**

I was asked this question many times before in different ways and my immediate impression was:

**“The experience of ONEness is ‘Real’ and the experience of separateness is ‘not real’.”**

Then a quote from Helen Keller came to mind,

*“It gives me a deep comforting sense that  
Things seen are temporal and things unseen are eternal.”*

I went on to explain that if it has a 'label' or 'name' it is temporal or 'Not Real' because it can change, shift, transform or dissolve.

Then I continued... AND at-the-same-time... interestingly enough... everything that is 'not real' IS ALLways contained in the essence of 'The Real' or 'The ONE'.

Here are definitions of 'Real' that may help:

1. **actually existing as a thing or occurring in fact; not imagined or supposed.**
2. **of a substance or thing, not imitation or artificial; genuine.**
3. **complete; utter (used for emphasis).**

As explained in earlier articles... WE ALL CREATE individualized expressions and aspects of '**The Real ONE**' (That which is '**BEYOND WORDS**') however '**IT**' can be felt or embraced!

***“The best and most beautiful things in the world cannot be seen or even touched - they must be felt with the heart.”***

~ Helen Keller ~

***What are you/You/YOU creating during your day dreams, Night Dreams. and ONENess Dreams and then feeling into physical manifestation?***

***I call this: Passionating or Passionation!***

~ David/LE ~

**“In my Father’s house are many mansions...”**
